The California College of Barbering and Cosmetology (CAL CBC) has determined that all students have been affected in a variety of ways by the disruptions caused by Covid 19 and subsequent sheltering-at-home requirements. Parsing out, who, if any, was more effected than others is impossible. Additionally, the grant is relatively modest, when divided by the active students. Therefore, CAL CBC elected to distribute the funds equally to the entire active student body at the time of distribution. In our first grant we had 177 students, and the amount of the overall grant was 49,336, the individual grants were \$278.73.

Dear \_\_\_\_\_

Earlier this spring, in the wake of the outbreak of the coronavirus, Congress passed into law the Coronavirus Aid, Relief and Economic Security (CARES) Act. This very complex piece of legislation included provisions intended to assist various sectors of the United States economy impacted by the pandemic.

One portion of the CARES Act is the Higher Education Emergency Relief Fund (HEERF). This Fund within the CARES Act was included to provide direct emergency aid grants (money you do not have to pay back) to students whose lives have been disrupted by the pandemic, many of whom are facing financial challenges and struggling to make ends meet, for expenses related to the disruption of campus operations due to coronavirus (including food, housing, course materials, technology, health care, and child care)

California College of Barbering and Cosmetology (CAL CBC) moved quickly to enter an application for its allotment of the Emergency Relief Fund on behalf of its eligible students. That allotment has now been made available to CAL CBC for distribution.

As an active student at Cal CBC you are eligible for an equal share of this allotment. Beginning on June 5, 2020 active students will begin receiving their checks. Students that are currently on a Leave of Absence will receive their check upon their return from LOA (campus).

The amount of the enclosed check was calculated by taking the amount of the allotment and dividing it by the number of current active students.

If you should have any questions about the Emergency Relief Fund, please contact Kathy Toburen (Director of Financial Aid) at [ktoburen@calcbc.com](mailto:ktoburen@calcbc.com)

We continue to wish you well and hope that the financial assistance of the Higher Education Emergency Relief Fund will provide support to you and your family during these challenging times

Sincerely,

Kathy Toburen

I have received my check for the Education Emergency Relief Fund.

The California College of Barbering and Cosmetology (CAL CBC) has determined that all students have been affected in a variety of ways by the disruptions caused by Covid 19 and subsequent sheltering-at-home requirements. Parsing out, who, if any, was more effected than others is impossible. Additionally, the grant is relatively modest, when divided by the active students. Therefore, CAL CBC elected to distribute the funds equally to the entire active student body at the time of distribution. In our first grant we had 177 students, and the amount of the overall grant was 49,336, the individual grants were \$278.73.

In our second grant we 208\_students, and the amount of the overall grant was \$118,446, the individual grants were \$504.02.

In our third grant we were able to take advantage of expanded regulations and gave \$71,744 in grants to DACA students. The balance was spent to encourage vaccinations among students. There were 106 Students were given \$200 if they presented proof of vaccination.
